

Wonder Woman Cake

"Of all people, you know who I am...who the world needs me to be. I'm Wonder Woman."

My sister-in-law has been who the world needs her to be this year and I felt she deserved a shout-out for her birthday. My not-so-surreptitious niece tried to glean information regarding her favorite cake flavor and all she could come up with was cheesecake. So, basically, I completely ignored that and made her a vanilla cake with caramel Swiss meringue buttercream and ganache.

I used my favorite medium, modeling chocolate, for all the decorations which means the tiara was ready to go in minutes.

Happy Birthday Michelle!

I've included the template I used for the tiara and emblem. It was made for an 8-inch cake on a 6-inch background as above.
